Committee Updates

Programs Committee: January luncheon registrants are totaling 66 as of today. We have the larger room reserved at Bayview with own buffet line to facilitate. The February luncheon is schedule on the 18th, at Clemenza's downtown Fort Walton Beach. CPTS will be briefing about the new re-org.

As of now, the date for the Awards luncheon, held in March, will be on the 12th at 11:00am. The plan is to have it again at the Club, although there was discussion about another venue. Lisa asked about the Doolittle Building, and Max will check into that and provide feedback since that building belongs to AFRL where he works.

Lisa also asked MSgt Doble to get with Joe Proctor (or Programs) on vendor options to see how we can increase Hurlburt participation.

Mini RPDS Committee: Expect a call for volunteers to go out in the next month. John Feagin will be the lead this year.

Treasurer Committee: no report

Community Service: Relay for life meetings have kicked off, Kristen Pedro is heading it up. Please sign up to join our Comptrollers for a Cause team. The will be published in the newsletter. Kristen will be sending out a call for volunteers shortly.

Publicity: The distro list has disappeared! We are in the process of trying to get it recovered, or the distro will have to be recreated.

Ways and Means: The Holiday Gift Wrapping was successful; ASMC collected \$209.25 in donations.

We are pressing on with the Ice Flyer's Hockey Game. The information will be posted the newsletter and the tickets should be in time to sell at the luncheons. ASMC will collect \$5 per ticket sold. We even are going to try to sell 50/50 tickets on \$5 nights. Mika Gellinger is working with FSS to get the Fundraiser approved.

There was discussion about if the Golf Tournament should be held on a Saturday vice a Friday. Roger Kendall will be the lead and is working the FSS fundraiser approval.

Education: An EDFMT class will be offered in August, and currently it is half full. We need to recruit the remaining to be able to keep the class. The January class was full and led to a handful of CDFM certifications!

National Scholarship packages are due in March. Local scholarships will be advertised later and are not awarded until August. We may reduce the scholarship amount given depending on how many applications we receive and what our budget looks like after the review.

Awards: If submitting an award package to National, you may have to submit from home. The government computers are blocking the pages. Lisa suggested that awards packages could be submitted to Kaci and she could forward them up for submission. The call for local awards will be sent out shortly.

Membership: Waiting to hear if the distro list has to be recreated. Lindsey has requested a current membership roster to verify upcoming Awards Packages.

IT: Jason has contacted COM about the distro disappearing, still waiting from a response from them.

Newsletter: As always, everyone needs to send in their announcements/inputs for the monthly newsletter.

This will be Jenna's and Jessi's last meeting, we all wish them good luck in their new positions. The meeting was adjourned at approximately 1057.

Recorded by: Brianna Hoppel, Newsletter Editor, Gulf Coast Chapter.
