The next item discussed was the possibility of getting an article published in the comptroller magazine. Lisa thinks Jenna has a topic worth pursuing. More to come!

## **Committee Updates**

**Program Committee:** Joe is trying to narrow down a date for the membership meeting in Sep. With soft close out on the 19th, it's a difficult task to get folks to attend. Lisa suggested a brown bag call in session. Joe's going to explore this.

**Community Service:** According to Rob, have a Heart 5K is coming up on the 23rd of Sep. Volunteers are needed for this event as well as for several Fisher House happenings. So far over 100 volunteer hours have been logged.

**Education:** Ron needs list of members. Lindsey can provide this. This will enable him to see who has CDFM and if there is still a requirement to conduct a class.

**Membership:** For the FM Oktoberfest, the plan is to have a booth to recruit new members. This was very successful last year in assisting members on transferring their membership from an old location to ours. Hopefully, it will also help bring in new members.

**IT:** Jason has updated the website with the committee chairs input. Still needed are some minutes from previous Executive Council meetings.

**Treasurer:** Mandy informed us that Coastal Bank on base is closing. She will have to go out in town now to make deposits.

**Secretary:** Minutes were voted in from 16 Jul meeting

**Newsletter:** Please turn in articles to Brianna. If you don't write them, she will do it for you!

**Meeting adjourned at 1045**
